

Working on the Trash  
Original Author Unknown

Sung to: "I've Been Working on the Railroad"

We've been working on RECYCLING All the trash we can,  
We've been working on recycling, It's a very simple plan,  
Separate your glass and paper, Separate your plastic and tin.  
Take the trash that you've recycled To your recycling bin!  
We've been working on REDUCING All the trash we can.  
We've been working on reducing It's a very simple plan  
Don't go wasting any products, Use just exactly what you need.  
Don't buy things in extra wrapping, Reduce and you'll succeed!  
We've been working on REUSING All the trash we can.  
We've been working on reusing, It's a very simple plan.  
If it's a paper bag you're using, Don't use it once, use it twice!  
Give old clothes and toys to someone, To reuse them would be nice!

Recycling In My Home  
Original Author Unknown

Sung to: "wheels on the bus"

Recycling in my home goes round and round,  
Round and round, round and round.

Recycling in my home goes round and round,  
All through the day.

Tie up the papers and take them back,  
Take them back, take them back.

Tie up the papers and take them back,  
All through the day.

Crush the cans and take them back.....

Rinse the milk bottles and take them back....

Save the glass and take it back.....
